two sets of notifications submitted by him, one under section 27 of the Indian Forest Act regarding the disforestment of 4 acres of land out of S.No.350 of Mundagunamane village and the other related to its assignment as protected forest under section 29, under his office No.TRA 7088 of 19-8-1961. He has stated that from the records received by him, the notification under section 29 of the Indian Forest Act has been published ~~xxxxxx~~ by Government in Govt. Notification No. AFD 224 FAF 61 on 26-12-1961 regarding disforestment of the area. He has ~~xxxx~~ therefore requested Government to publish the notification under section 27 of the Indian Forest Act as the notification already issued will have no locus standi without this notification which ought to have been published also. It is seen from the collection put up for reference AFD 224 FAF 61 that the second notification, even though approved by the Secretary and the Minister has not been issued and marked for issue on 30-12-1961. Since the papers ~~xxxxxxxx~~ had been sent back to the D.C., at the time of the recording of that file, it has not been possible to know whether the second notification had also been issued as entire records had been sent. The explanation of the concerned officials are being taken separately as per the orders of the Secretary, A&FD as to this omission and it will be put up separately for orders. Meanwhile, to avoid further delay, draft notification which had been sent by the D.C. N.Kanara, Karwar ~~xx~~ as already agreed to by R.D. is put up for kind approval.

Reference: Govt.Not. No. AFD-224 FAF 61 of 26-12-1961.

In submitting herewith the papers of the case dealing with endorsement No. FOR-SR-II-69 of 31-7-1963 from the Forest Settlement Officer Kanara I have to state that two sets of notifications had been submitted one under section 27 of the Indian Forest Act regarding disforestment of 4-0-0 of land out of S.No. 350 of Munda--gunamane village and the other regarding its assignment as protected forest under section 29, under this office No. TRA 7088 of 19-8-1961.

I however find that only the notification under section 29 of the Indian Forest Act has been published by Government in their above notification but the original notification under section 27 of the Indian Forest Act regarding disforestment of the area has not been published.

I would therefore request that Government may kindly be moved to publish the notification under section 27 of the Indian Forest Act without which the notification under reference will have no **locus**-Standi and the P.C. returned with a copy of the notification.

Yours faithfully,
